Current Position

2008 **PhD Student Theoretical Biophysics**, *Instituut Lorentz*, Leiden.

Education

2006–2008 **Master in Theoretical Physics**, *Universiteit Leiden*, Leiden, *Master of Science*.

2003–2006 **Bachelor in Physics**, *Università degli studi di Padova*, Padova, *Dottore*.

Master Thesis

title *A phase-field model for supercooled glycerol*

supervisor Wim van Saarloos

Experience

2007–2008 **Research assistant**, *Leiden Institute for Physics*, Leiden.

2006 **Teacher**, *Padova*, Teacher of Physics and Mathematics in an Italian gimnasyum.

Languages

Italian **Native**

English **Fluent**

Dutch **Fluent**

French **Spoken**

Spanish **Spoken**

Computer skills

Operating Systems	Mac Os X, Linux, Windows	Office software	MS Office, iWork, Openoffice
Programming Languages	C++, C, python, Objective-C	Computational Software	Mathematica, Matlab, Numpy
Markup Languages	LaTeX, TeX, html + CSS	Graphics	Adobe Creative Suite, Inkscape

Interests

Computer Apple
Photography Nikon
